Sargasso CD2 RAL 5003

Black CD1 00E53

Juiper Green CD2 12B29

Vandyke Brown CD2 08B29

Notes

Colour Reference: The standard colour references displayed above are approximate equivalents to the final product colours. Please use these as general guidelines rather than exact matches.

Printed Colours Disclaimer: The colours shown in print are intended for guidance purposes only and may not accurately reflect the true colour and finish of the actual product. For a precise and reliable representation of colour and finish, we recommend requesting physical product samples directly from Befab LTD.

Ensuring Exact Color Match: If an exact color match between different components and Befab LTD stock is crucial, the best way to achieve this is by comparing with the actual cladding delivered to the site. Matching on-site helps account for any minor variations and ensures visual consistency across all elements.
